This is amazing! Is the campaign in need of other volunteers or activists? I am interested in getting involved!

Doctor Noble:

If you are directly working with the [U.S. Department of Health and Human Services \(HHS\)](#), [in mental health concerns], I wonder if you could do me a HUGE FAVOR...

This is ONE CONTENT FOLDER of attempted addresses that has been left unprofessionally ignored to a deafening silence:

<http://webdomains.realuphuman.net/hhs.gov/>

This is a CONFIRMED FAX:

<http://webdomains.realuphuman.net/hhs.gov/Faxes/FAX----CDC-INFO-----I-am-STILL-DETACHED-from-HIV-DOCTOR-CARE-%5bHHS%5d.pdf>

This should have induced a reasonable received RESPONSE ---- but as written in it --- as predicted -- it was SHUFFLED TO:

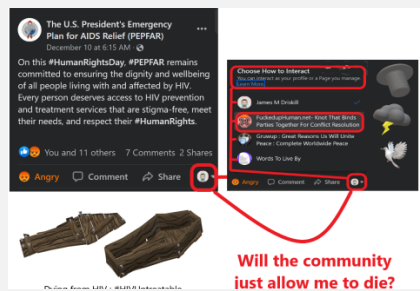

SWAT SWAT - SHOO FLY DON'T BOTHER US --- THE MESSAGE SUCH TACTICS ARE GIVEN BACK UPON ME IS:

"GO FUCK OFF AND DIE" -- from them to me.

This LINK of the same correspondence to the CDC CONTACT FORM SUBMITTED FROM THEIR WEBSITE ---- has a SPOKEN VOICE TEXT NARRATIVE INTERFACE:

My mother would appreciate that the community stop intentionally acting in ways that demonstrate the intention to kill her son.

Doctor Noble,

It would go along the stretch of trust-building if you would act as a communication liaison and contact each one of these contacts, especially Timothy Noonan to respond to my correspondences that they are not intending to murder me.

Why do I still not have any reliable healthcare interfaces to doctor provider care?
